PERFORMANCE BOND WAIVER

BLOCK _____ Lot _____

It is my/our understanding that Section 20 POA has a PERFORMANCE BOND and LABOR and MATERIAL PAYMENT BOND provision in their building code restrictions, a portion thereof quoted below:

The builder will provide a PERFORMANCE BOND and MATERIAL PAYMENT BOND. These will be posted prior to the commencement of construction. These bonds are for the mutual protection of the Company and owner. The bond will insure the Company that the building is constructed in accordance with the plans and specifications and also that partially completed and abandoned structures will not mar the beauty of the area. In addition, the bond assures the owner that the building will be free and clear of any encumbrances, with protection for all time against any claims of liens or accounts of any nature which may arise from construction of the building.

As stated above, this is for the mutual protection of both the Company and the owner. Understanding the above, I/WE HEREBY WAIVE THE REQUIREMENT OF PAYMENT AND PERFORMANCE BOND and MY/OUR proposed structure to be built by _____. By waiving this requirement, I/WE accept full responsibility for the selection of the contractor and for insuring that the contractor builds the structure in accordance with the plans and specifications. I/WE further agree to accept the responsibility for completing the improvements in the event the contractor abandons construction or I/WE discharge the contractor.

I/WE further understand that by waiving the Payment and Performance Bond that the above described property may be subject to Florida Construction Liens pursuant to Chapter 713, Florida Statutes.

I/WE acknowledge receipt of copy of "Warning to Homeowners" provided by the Charlotte County Building and Zoning Board and/or the City of Punta Gorda.

I/WE further release SECTION 20 POA, INC. its subsidiaries, officers, directors and employees from any and all liability with reference to this structure, and acknowledge that SECTION 20 POA, INC., has and assumes no responsibility with reference and approved the plans, drawings or specifications concerning this structure.

I/We certify that I/WE have the necessary funds to complete My/OUR structure including the "extras" which I/WE may authorize.
